

Remarks / Arguments

Claims 1-25 and 27-34 are pending in the present application.

The Examiner has rejected claims 1-25 and 27-34 on the ground of non-statutory obviousness-type double patenting as being unpatentable over claims 1-10 of U.S. Patent No. 7,123,593.

A terminal disclaimer is submitted herewith to limit the term of a patent issuing from the present application to the term of a patent issuing from U.S. Patent No. 7,123,593 (hereinafter, the '593 patent). It is submitted, therefore, that the "right to exclude" granted in the '593 patent would not be improperly extended by the allowance of claims 1-25 and 27-34 of the present application.

In view of the foregoing, the applicant respectfully submits that claims 1-25 and 27-34 are now in condition for allowance. Favorable reconsideration and allowance of claims 1-25 and 27-34 are respectfully requested.

Respectfully Submitted,

Nortel Networks Limited
